Hemorrhagic dengue fever struck and hospitalized baby Rodolfo at just 8 months old. We have had an epidemic outbreak of dengue fever; our region was the epicenter of the outbreak with a significant loss of life. Among our local Vida Community Center members we have lost Pedro, a 38-year-old father of 4 children and a sweet little 9-year-old boy named Angel. Our ministry team stepped up to assist each of these families in their time of need.

Little 6-year-old Kenneth has a fractured wrist and other medical needs. Pastor Angel and I met with his mother Dulce at the lab and LSMI/ Vida covered Kenneth's lab fees. After the Lab, we walked to a medical supply store to pick up a special pediatric soft arm brace to be used in place of the plaster cast that was being removed. Kenneth gave me several hugs of gratitude between playing with his Hot Wheels.

10-year-old Sofia and her 12-year-old brother Miguel Angel are being raised by their grandparents. Both these children have medical needs that require lab work, MRI'S and other studies for their individual medical issues. The Lord opened doors for us to help them meet their needs. Their grandmother uses a walker to get around and they were extremely grateful to our team for reaching out and serving their family with the medical attention that they needed.

corrective shoes. We were able to get the shoes she needed and now she walks with sure footedness and dignity. These are just a few examples of love in action as we serve our communities. It is because of your care, prayers and financial support that we can reach out and meet basic needs during times of medical hardship. Though we operate on a shoestring budget we occasionally help marginal folks pay electric bills, lab work, medications, hot meals delivered to their homes, provide food staples called 'Blessing Boxes', and transportation for doctor visits.

Most of all, we bring families into God's presence as we pray with them and we address their spiritual needs in the midst of these acts of kindness. Thank you for your prayers and financial gifts.
